

## **Decorating Director Year End Report 2020**

This year was quite an unusual year as a result of Covid restrictions. Those restrictions led to the closing of in-person meetings in the church for several months. As a result, there was little need for decorating changes throughout the year. Seasonal décor and flowers were changed and displayed as necessary. Christmas decorations were simple and scaled back this year since services and attendance was minimal. There were no funds used from the decorating budget this year.

I want to thank Jessica Boshaw, last year's decorating director, for much help. She completed the decorating of the renovated entryway by purchasing décor for the walls, cushioned chairs for a sitting area, and completing a wall of photographs leading down the hallway. The money was reimbursed through the church budget for the renovations.
