

Women's Ministry Report

For 2020

Wow! What an unusual year we've had. Women's Ministries only had 2 meetings all year. The first was a Valentine theme in February and the second was a fall theme in October. At this meeting we had a unanimous vote to help out our new missionary, Jessica Boshaw, by purchasing a bicycle for her to stay in Spain.

We also had one workday to make the apple pies. And I want to thank all who helped that day. We made 100 pies and had a great day together. Thank you's also go to everyone who has bought a pie, you're helping us support Nat and Donna Brown and Jessica, and also to help buy that bicycle!

2020 was certainly a trying year and we've all learned how much we need God to work in our lives and in our world. We have PEACE because He is in control.

Thank you for all the
continuing support,

Karen Schroeder
