

Attendance Report 2020

Note: Due to the covid pandemic there are many weeks that we were not in in-person service or attendance was not taken. We did the best we could to capture the numbers but at that time safety for the congregation was the priority. However, we did have online services every week starting on March 22, 2020. The online attendance is difficult to average. There were weeks we had over 500 views spanning from Oklahoma to Africa and Europe to weeks where there were only 25 views on Sunday morning, but views would jump to over 100 during the week. We just pray that God will bless this new online ministry, bringing His Word into the homes of those who are unable to attend in-person.
