

I started out with my year trying to establish a rotation for Children Church. I was hoping to get enough people where they would only serve maybe 2 times a year if that. So my goal for 2021 is to establish a rotation where it's not always the same people working .

I have not put a lot of effort into the nursery this past year, because I felt we didn't have a great need for it, Now that we have more of a need for the nursery to be open, My goal it to find someone that will be willing to head it up for me, I am hoping that we are able to find different works for with the same kind of rotation as Children Church.

The curriculum I have found for Sunday School is [Children's Ministry Deals](#) Children's Ministry. The lessons are all downloaded, and the cost is very reasonable. The lesson includes crafts, games, object lesson, small and large group lesson, trivia game and a short play. The curriculum is really easy to follow and the kids seem to enjoy it as well.

I was trying to start every other Sunday Night with the kids. We were only able to meet 1 time to Covid. When things clear up I am planning on resuming it. We would use the Sunday School material that we were not able to get through during Sunday school.

Unfortunately we were not able to have VBS this year because of Covid. We did order material for it, so we do have it for 2021.

Unfortunately we were not able to have a Christmas Program this year because of Covid. But we did order material for it, so we will be using that for 2021 Christmas Play.

We did have a Harvest Party in October, I invited parents, youth, and anyone else that would like to come. For games we played pumpkin blowing, and balloon toss. Thank you to Bernie, Bob and Pastor Rick we were able to have a hay ride, Thank you to Vic for supplying us with wood for a bomb fire. Thank you to Kim and Sheryl for supplying us with hot dogs, chips, s'mor, apple cider and candy for the kids. Thank you for everyone that helped us out to help us out to make it a success. I am hoping we are able to plan one in the future.

I also hosted a nerf war at my house. I invited some older kids from Children's Church, along with their parents. We had a simple dinner of hot dogs, chips, and cookies with juice. I am hoping to host more nerf wars in 2021.

When the church had to shut down for Covid I wanted to keep in touch with the kids, so I set up a zoom meeting with Pastor Jeff's help. We went through the book *Case for Christ for Kids* by Lee Stroble. I also sent them mail once a month with puzzles and craft to do. When we were able to meet face to face for Sunday School I started my Sunday School downloads. Then we went back into a shutdown. I felt it was important to continue my lesson, so we came up with the idea to record my Sunday School materials. I plan on continuing them even while we are open.
